Footnotes: [i] RALD: Unidentified covername. First occurrence. Presumably the cipher clerk in MEXICO CITY.

[ii] Not available.

[iii] As the book to be used for this key was apparently printed in the old orthography, the text of this unrecovered passage could be:  
"ee" repeat "e" as "o" repeat "o".

[iv] LANGV: Colonel BALTERO, Head of the Special Communications Division of the GOU.
